

Zen and the Art of Mindful Living Schedule of Events at Dartmouth April 1-7, 2025

Join Zen Buddhist monks and nuns from Thích Nhất Hạnh's tradition of engaged Buddhism in guided meditation practices, talks, and discussions throughout the week. While the teachings will have their roots in Zen Buddhism, these are not religious events. The focus will be on learning the practice of mindfulness to feel more peace, calm, and ease in daily life. No matter where you're from or what faith you follow, you are warmly welcome to attend.

Note: This is a draft schedule that will be finalized by 3/15/25. Please check [here](#) for updates. Events marked "Registration" require prior registration through embedded links.
